

TEEN FEAST!

YES! I agree to participate in the IBI Global, Inc. **Free Enterprise Accelerated Support Training** known as the **FEAST** Youth Training. I agree to contribute:

\$100 or \$_____ toward student tuition.

I understand each young adult is responsible to raise their own tuition, as part of their training for the Free Enterprise **FEAST** Youth Training. I understand that IBI will contribute over \$1000 in scholarship support for each youth attending the training.

Proceeds attached to this form will be mailed by me, directly to:

IBI GLOBAL, INC.
200 Lime Quarry Road
Madison, AL 35758

I understand the sponsored youth will be credited with my contribution toward their discounted tuition, for the week long, residency IBI Youth Training on Free Enterprise. My goal is to support young Americans to study the Free Enterprise System, to live drug free lifestyles, and to dedicate themselves to excel at studies in school to create a richer future nation.
